

SC 262

The efficient working tool

SC 262 is a dual-sided headset designed for professionals that require HD voice clarity in busy contact center and office workplaces. With the focus on contact-center-tested durability and robustness, SC 262 offers including: CircleFlex® patent-pending dual-hinge ear cups for instant perfect fit and supreme comfort, a noise-canceling microphone, and a lightweight raised profile headband with numbered grooves. The combination of productivity-enhancing features and contact-center-tested durability is designed to help professionals perform at their best, whatever the environment.

SC 262 is optimized for low impedance devices such as mobile phones and DECT phones.

Benefits and Features

- **Best-in-class comfort** – CircleFlex® patent-pending dual-hinge ear cups that adapt seamlessly to your ears, for instant perfect fit and relaxed all-day wearing
- **Noise-canceling microphone** – filters out ambient noise for optimum speech clarity
- **Unique robust construction** – crafted with look and feel in mind
- **Dual-sided wearing style** – numbered headband grooves for step-by-step adjustment ensures perfect binaural sound reproduction in noisy environments
- **Durability** – metal reinforced headband designed for years of wearing pleasure
- **Sennheiser HD voice clarity** – wideband sound for a natural listening experience
- **Bendable boom arm** – easy to adjust to the optimal microphone position
- **Pivotable boom** – rotates through 350 degrees for precision microphone placement and wearing flexibility on right or left side
- **Name tag personalization** – easy user ID helps to avoid wearing a neighbor's headset
- **ActiveGard™** – technology protects you from acoustic shock and sudden sound surges
- **Peace of mind** – 2-year international warranty

Product name	SC 262
Art. No.	504410
EAN No.	40 44155 051445
UPC No.	6 15104 181281
Technical fact	
Wearing style	Headband, binaural (dual-sided)
Microphone	Noise-canceling
Frequency response	150 Hz – 6,800 Hz
Speaker	
Impedance	~55 Ω
Frequency response	150 Hz – 6,800 Hz
Sound pressure	Max. 103 dB limited by ActiveGard™

SC 262

The efficient working tool

Product name	SC 262
Cable length	1000mm
Connector	Easy Disconnect
Color	Black with silver
General Data	
Headset weight	86g
Weight: headset, cable and connector	104g
Package dimensions	153x200x59mm
Package weight	212g
Units in distributor master carton	20pcs
Master carton weight	5.2kg
Master carton dimensions	352x315x416mm
Unit pack/end user	1pc

Accessories included

- Acoustic foam ear pads, mounted on headset
- Cable/Clothing clip, mounted
